

# First Aid/CPR Classes for Co-ops

**Customized to meet your needs**

Including fun, hands-on learning, and staged accidents

Let me design a class for your group or choose from one of these

**Classes for Kindergarten and UP:**  
non-certifying classes for all ages

**First Aid/CPR Introduction**

Course length: 1-2 hours

Cost of Course: \$5/student

Example of a Class

**Taught by a Red Cross Certified Health and Safety Instructor**

- ✓ Willing to and experienced in working with all learning styles
- ✓ Stressing skills and understanding; not terminology

**Carla Anderson**

Health and Safety Instructor
